

Accessibility Statement for Feock Parish Council

Feock Parish Council is committed to making our website as accessible as possible in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

We want as many people as possible to be able to use this website.

1. How accessible this website is

We know that some parts of this website are not fully accessible. For example:

Some older PDF documents may be scanned PDF format and therefore not fully accessible to screen reader software.

Some images may not have descriptive (alternative) text.

Some content may not be fully compatible with accessibility tools.

We are working to improve accessibility where reasonably practicable.

2. What to do if you cannot access parts of this website

If you need information on this website in a different format, such as:

Accessible PDF

Large print

Easy read

please contact us via:

Email: clerk@feockparishcouncil.gov.uk

Telephone: 01872 863333

and we will consider your request and get back to you as soon as possible.

The Council are committed to ensuring all documents on the website uploaded since 9th March 2026 are compliant with Web Content Accessibility Guidelines version 2.1 AA standard.

3. Reporting accessibility problems with this website

We're always looking to improve the accessibility of this website. If you find any problems not listed on this page, or think we're not meeting accessibility requirements, please contact us using the details above.

4. Compliance status

Our website www.feockparishcouncil.gov.uk is partially compliant with the Web Content Accessibility Guidelines (WCAG) 2.1 AA standard and we are working to resolve the issues such as providing alternative text for images and improving contrast and font of text.

Preparation of this accessibility statement

This statement was prepared on 6th March 2026

The website was last reviewed on 6th March 2026

Accessibility was checked using:

A visual review of the website, and

An automated accessibility checking tool.
