

Devoran Rainbows, Brownies and Girl Guides

Application for Your Choice funding

We would like to take 10 girls to BF Adventure for canoeing, abseiling and outdoor team building skills.

We would like to take all the Rainbows, Brownies and Guides to do a Circus Skills Workshop.

The cost is £32 each for BF Adventure and £10 each for the Circus Skills workshop.

These workshops will help the girls meet the new parts of the girl guiding programme of team building, balance and co-ordination.

Additional cost above the £400 will be met by the parents.
