

Village Lunch Group

St Feock PALS stands for Pleasure and Leisure Society. We are a Community, Christian Outreach group and have organised village activities for the last 14 years. We have just started a Film Club which is proving very popular. It was during one of these film nights a widower told us how much he enjoyed being with other people as he gets very lonely. Having no one to talk to at home makes him feel miserable and isolated. He rarely cooks for himself as 'he doesn't enjoy eating alone.' He asked us if we would set up a Lunch Group where people can meet and socialise.

The St Feock PALs has a team of volunteers to cook and serve hot meals in the Church Hall every fortnight starting in February.

We have applied for a grant of £250 to buy cooking pots and pans, serving dishes and table ware. The money will also help towards our Basic Food & Hygiene Certificates.

Giving us your vote will make a difference to some very lonely people.
