Cllr A Allen queried the red line on the plans and EF confirmed that this included a parking area for the property. Cllr Dyke questioned if she would object to a planning condition to stop the property being sold off separately to the main house. EF confirmed they would be willing to do this although it would not be preferable.

Julian Mills of Studio Garth spoke regarding PA24/04326, he gave details of a previous approval and confirmed that the original proposal had been considered overbearing by the neighbours and this revised scheme has taken away their concern. 6. SUBMITTED CONSULTEE COMMENTS

RESOLUTION: Cllr P Allen proposed the following consultee comments submitted to Cornwall Council, as agreed via email between Committee members, since the last planning meeting be formally ratified. This was seconded by Cllr Kemp and carried by the meeting.

PA24/03294 (006) - Polmenna House Penpol Devoran TR3 6NP

The Parish Council is happy to accept the professional advice of Cornwall Council's Tree Officer for this application.

PA24/03479 (007) - Polgwynne Feock TR3 6SG

The Parish Council is happy to accept the professional advice of Cornwall Council's Tree Officer for this application.

PA24/03900 (008) - Meadowside Churchtown Feock TR3 6SD

The Parish Council acknowledge the comments of the Tree Officer however we question the explanation and justification for the temporary reduction. The first photograph suggests that the reduction of the crowns will just be minor whilst the second photo shows that the Holly and Bay will be cut down to about a foot in height. The application states that the trees will be 'temporarily' reduced whilst at the same time additional Hornbeam and Hazel saplings will be introduced. We question if the latter are intended to replace, rather than to encourage, new growth of the original Bay and Holly. We believe that Bay and Holly are very slow growing so 'temporary' could be a long time. Also, we note the concerns of the neighbour and would ask the Planning Officer to ensure that the applicants are fully aware of their obligations regarding the public right of way.

PA24/04017 (010) - Church of Saint John and Saint Petroc Devoran Lane Devoran TR3 6PA

The Parish Council is happy to accept the professional advice of Cornwall Council's Tree Officer for this application.

7. MATTERS TO REPORT

A matter relating to a possible planning enforcement situation in Feock was raised and briefly discussed and concluded.

Cllr P Allen advised that he had been made aware that it was possible for organisations to access useful information via the Land Registry website and asked that the Parish Council register for this facility. It was agreed that he would contact the Clerk to arrange.

8. DATE OF NEXT MEETING

It was agreed that the date of the next meeting would be decided by Councillors via email as soon as possible.

The meeting closed at 4.35pm.
